Site Gazetteer

1.1.1 This Technical Appendix contains information relating to identified designated and non-designated heritage assets at the Site and within 1km of the Site boundary to inform the baseline, (illustrated in Environmental Impact Assessment (EIA) Report Chapter 6: Archaeology and Cultural Heritage and Figure 6.1). The following table presents information collected from the Site Gazetteer. Where there are no entries in the columns, this reflects that the Historic Environment Record entry is also blank.
