ELECTRICITY ACT 1989

TOWN AND COUNTRY PLANNING (SCOTLAND) ACT 1997

**THE ELECTRICITY WORKS (ENVIRONMENTAL IMPACT ASSESSMENT) (SCOTLAND)
REGULATIONS 2017**

Notice is hereby given that Renewable Energy Systems Ltd (RES), company registration number 1589961, with its Registered Office at Beaufort Court, Egg Farm Lane, Kings Langley, Hertfordshire, WD4 8LR, has applied to the Scottish Ministers for consent under section 36 of the Electricity Act 1989 to construct and operate a generating station comprising of a wind farm and battery energy storage system, known as Clune Wind Farm, in the Scottish Highlands near Tomatin, south-east of the operational Glen Kyllachy Wind Farm (Central Grid Reference E 273392, N 829102). The Proposed Development will have a generating capacity of approximately 187.2 MW for the turbines and approximately 100 MW for Battery Energy Storage System (BESS) and comprising up to 26 wind turbines with a maximum ground to blade tip height of up to 200 metres and has been subject to Environmental Impact Assessment. An EIA Report has been produced to accompany the application for consent.

RES has also applied for a direction under Section 57(2) of the Town and Country Planning (Scotland) Act 1997 that planning permission for the development be deemed to be granted.

A copy of the application, with a plan showing the land to which it relates, together with a copy of the EIA Report discussing the Company's proposals in more detail and presenting an analysis of the environmental implications, is available for public inspection at the Strathdearn Hub, Tomatin, IV13 7YN, Monday to Friday between 10am to 4pm, free of charge on the application website www.clune-windfarm.co.uk or on the Scottish Government Energy Consents website at www.energyconsents.scot under application reference ECU00005038.

Copies of the EIA Report may be obtained from Sam Mayes (telephone: +44 7747 017 255/ email: sam.mayes@res-group.com) at a charge of £1,500 per hard copy or free of charge on DVD/CD/USB. Copies of the Non-technical Summary are available free of charge.

Any representations to the application may be submitted by email to the Scottish Government, Energy Consents Unit mailbox at representations@gov.scot; or by post to the Scottish Government, Energy Consents Unit, 4th Floor, 5 Atlantic Quay, 150 Broomielaw, Glasgow, G2 8LU, identifying the proposal and specifying the grounds for representation.

Written or emailed representations should be dated, clearly stating the name (in block capitals), full return email and postal address of those making representations. Only representations sent by email to representations@gov.scot will receive acknowledgement.

All representations should be received not later than **18th April 2025** although Ministers may consider representations received after this date.

Any subsequent additional information which is submitted by the developer will be subject to further public notice in this manner, and representations to such information will be accepted as per this notice.

As a result of a statutory objection from the relevant planning authority, or where Scottish Ministers decide to exercise their discretion to do so, Scottish Ministers can also cause a Public Local Inquiry (PLI) to be held.

Following examination of the environmental information, Scottish Ministers will determine the application for consent in two ways:

- Consent the proposal, with or without conditions attached; or
- Reject the proposal
